Care Instructions:

The paint is durable enough to be washed & used regularly. I guarantee the paint on the glass if hand washed. You can successfully use the dishwasher with certain provisions. The dishwasher has to be equipped with an air-dry or "energy-saver" dry cycle. Dishwashers with "super heat" or sanitizers are too hot and will damage the paint. All my pieces of glass are put through the dishwasher as they are finished. My family uses the painted glass regularly, and though much of my personal glass is years old, it looks as good as when I
